

# COVID-19 DASHBOARD

To protect the health of our school community and per the Emergency Order issued by the Michigan Department of Health and Human Services [Reporting of Confirmed and Probable Cases of COVID-19 at Schools](#) on October 5, 2020, Carman-Ainsworth will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by the Genesee County Health Department, this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by the Genesee County Health Department. Following notification of a probable or positive case, the district will disinfect applicable areas of the school building. This may include spraying classrooms, hallways, locker rooms, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

## ACTIONS YOU CAN TAKE

We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- **Wear a mask** (covering mouth and nose) when around people with whom you do not live.
- **Practice social distancing** (maintaining a distance of 6 feet apart).
- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with at least 60% alcohol).
- **Follow [capacity restrictions](#)** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.
- **Stay home if you are sick**; you can also [get tested](#).
- **Answer the phone if the health department contacts you**, as a contact tracer may be trying to reach you with important information.

This information does not mean you should quarantine or isolate. Those members of the school community who were or are suspected to have been in close contact with a school associated case will be notified by the Genesee County Health Department and/or Carman-Ainsworth Community Schools.

Due to medical privacy laws, we are not able to release the names of individuals with COVID-19. We will continue to communicate changes and updates and with your cooperation, we believe we can maintain a safe environment while also providing a quality education.

If you have any questions, contact the Genesee County Health Department at 810-257-1017. For answers to your COVID-19 questions, please contact the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136 or visit [Michigan.gov/Coronavirus](https://Michigan.gov/Coronavirus).
