

Parents & Families,

We would like to give you the opportunity to see the day and the life of your student(s) here at school. Open House was an opportunity to meet your child's teacher and see their classroom. This night is designed to showcase our curriculum, instruction, and support that we have here in place at school so that teachers can teach, and your child(ren) can learn.

This meeting is for PARENTS ONLY, but we will be providing CHILDCARE for your ENROLLED school-aged children so that parents can participate.

Children will be in classrooms participating in games and movies. Dinner will be provided.

Come join us for the conversation!
