Notice of Right to Access and Privacy of Student Records

According to the Family Rights and Privacy Act (FRPA), parents and guardians of each student under 18 years of age and each student who is 18 years of age or older have certain rights regarding records kept on the student by the Carman-Ainsworth Community Schools. These include:

- The right to examine the student’s record in the presence of a school official. Requests for inspections shall be made at the respective school buildings or the Carman-Ainsworth Administration Building. Charges will be made for copies of items contained within the record.
- The right to have the administration hear evidence that any part of the record is inaccurate, misleading or violates a student’s privacy or other rights; to have the record changed if the administration agrees with the applicant’s evidence; and to insert an explanation in the record if the administration disagrees.
- The right to have records which personally refer to a student kept confidential except either by consent of the parent/student or when being used by school personnel for school business. Certain official agencies may also request records. These are listed in the Board of Education Policy on Privacy of Student Records from the Carman-Ainsworth Administration Building.
