

We Need Your Email Address to Continue Receiving Courier

The *Courier* is no longer printed and mailed each month. To reduce costs, we will print and mail fewer issues. However, we will publish a monthly online *Courier* with up to the minute information and in full color. We need your email address to send you the link to the *Courier* each month. Your email address will only be used for school related communications such as the *Courier*, emergency information, school closings and important C-A information updates.

Please clearly print your e-mail address below and return to your student's building.
