

Thank You for Volunteering in Carman-Ainsworth

Providing a safe and secure school environment for students, staff, and the community is a top priority in Carman-Ainsworth Community Schools. All school employees are fingerprinted and a background check is conducted before they begin work. Carman-Ainsworth is improving its process for screening volunteers who provide much needed and appreciated support for our students and staff.

All volunteers are required to complete a volunteer application form and to provide photo identification and birth date. This will enable us to conduct a criminal history search using state databases. Our goal is to make this process as quick and easy as possible for the volunteer while ensuring that we maintain a safe and secure school environment for everyone in our community.

You may begin volunteering as soon as you complete and return the application to your school office and the background check has been completed. Whenever you volunteer in Carman-Ainsworth, please stop in the school office to sign in and to pick up your volunteer name tag. Return the name tag to the office when you leave.

Thank you for caring enough to give your time to our schools and our students.
