Inclement Weather

Please do not drop off a student before office hours. Doors do not open before 8 a.m. and then only for breakfast!

Students arriving for school will not be let into the building until the first bell rings at 8:15 (or 9:15 on Late Start Wednesday).

This means as the weather changes students will be waiting sometimes in rain, snow, wind etc.

We ask that students dress according to predicted weather and with a short wait in mind.

District policy is students will go outside for recess when the temperature is 0° and above.
