Parents please remember, the weather is turning cold and your child goes outside for recess unless it's raining. Please make sure they are bringing coats, hats, and gloves to wear everyday. We recommend that you write student's names in permanent marker on all items.

Parent/Teacher Conferences

Forms to sign up for parent/teacher conferences were sent home. If you have not completed and returned them, please do so. School Bus Safety Tips for Students

Walking to the Bus Stop

Put all your belongings in a backpack so that you won't drop items along the way.

Go to the bus stop about five minutes before the bus is scheduled to arrive. While at the bus stop, wait quietly in a safe place well away from the road. Do not run and play while waiting.

Never speak to strangers at the bus stop and never get into the car with a stranger. Always go straight home and tell your parents if a stranger tries to talk to you or pick you up.

Walk young children to the bus stop or encourage them to walk in groups.

Getting On and Off the Bus

Wait until the school bus stops, the door gets opened, and the driver says okay to get on the bus.

Hold the handrail while going up and down the stairs.

When entering the bus, walk to your seat and sit with your bumper on the seat and your back touching the back of the seat. (Bumper to Bumper and Back to Back)

Remain seated and face forward during the entire ride.

Riding the Bus

Always speak quietly on the bus so the driver will not be distracted.

Always be silent when a bus comes to a railroad crossing so the driver can hear if a train is coming.

Never throw things on the bus or out the windows. Keep the aisles clear at all times. Feet should be directly in front of you on the floor and book bags should be kept on your lap. Keep head, hands and arms inside the window.

Never play with the emergency exits. If there is an emergency, listen to the driver and follow instructions.

Hands should be kept to yourself at all times while riding on the bus. Fighting and picking on others creates a dangerous bus ride.

Exiting the Bus

Wait until the bus stops completely, before getting up from the seat.

If you leave something on the bus, never return to the bus to get it. The driver may not see you come back and she/he may begin moving the bus. Respect the "Danger Zone" which surrounds all sides of the bus. Always remain 10 steps away from the bus to be out of the "Danger Zone" and where the driver can see you.

Always cross the street in front of the bus. Never go behind the bus. If you drop something near the bus, tell the bus driver before you attempt to pick it up, so they will know where you are.

Never speak to strangers at the bus stop and never get into the car with a stranger. Always go straight home and tell your parents if a stranger tries to talk to you or pick you up
