CAMS Mission Statement

It is our purpose to educate all students to high levels of academic achievement, as determined by state and national standards, while fostering positive growth in behaviors and attitudes. We commit to a comprehensive system of support to assure this outcome.

**CAMS Compact
 Student-Parent-Teacher**

We know that learning can take place only when there is a combined effort between the home and school. We are all committed to helping each student’s progress in school. This agreement is a promise to work together. We believe that this agreement can be fulfilled with a team effort. Together we can improve teaching and learning.

**As a student,
 I will:**

do quality work & be responsible for my work

 attend school every day unless I am sick

 ask my teacher questions when I do not understand something

 use CA-Rocks to guide my behavior

**As a parent,
 I will:**

talk with and my child and encourage them about school

 send my child to school daily unless my child is sick

 check on the progress of my child by talking to the teachers/ using ParentVue

 encourage learning at home and reinforce school rules

**As a teacher,
 I will:**

provide all students with high quality, effective teaching

 provide a safe and challenging learning environment

 encourage and accept the involvement of parents

 work with students who learn at different rates and in different ways

We have reviewed and read the Middle School handbook on the Carman-Ainsworth Middle School website. We have read the Acceptable Use Practices and have discussed them. We agree to abide by them in using the computer, Internet and technology resources. Most importantly, we promise to help each other carry out this agreement.
