Lice Alert

We have had a few cases of lice in the building this year and want to remind students not to share hats and other clothing items. If students are found to have nits in their hair, we will notify parents and send students back to class. All students with Live Lice will be sent home. Students with either nits or live lice will be required to stop in office for a head check before returning to class. We appreciate your help in this matter.

Students will be going outside when the wind chill is 0 degrees or above. To be prepared, please bring boots, hats, gloves, snow pants and a winter jacket each day.

Popcorn Every Friday – 50 cents
